

## Your Mental Health Services

Your specific benefit-covered mental health and substance abuse services depend on your particular benefit plan, but services generally include:

- Outpatient assessment and treatment
- Individual and group treatment
- Inpatient assessment and treatment
- Alternative care such as partial hospitalization, intensive outpatient and day treatment programs
- Treatment follow-up and aftercare

To receive the maximum benefit coverage for your care, you must use a network provider and obtain pre-approval of your care.

You can call the toll-free number listed on this brochure any time, day or night, to speak confidentially with a trained, compassionate professional.
